Specialty Pharmacies

The following network of specialty pharmacies are authorized to dispense IMBRUVICA® and are able to service qualified private and Medicare Part D plans.

Prescriptions may be faxed to one of the following pharmacies. This network of pharmacies can also provide information about the prior authorization process and co-pay support options for eligible patients. For additional resources, the pharmacy may refer patients to the [IMBRUVICA® By Your Side Patient Support Program](#)*, which offers comprehensive resources, personalized Ambassadors†, and financial guidance for IMBRUVICA® patients.

*IMBRUVICA® By Your Side patient support program is not intended to provide medical advice, replace prescribed treatment plans, or provide treatment or case management services. Patients are advised to always talk to their healthcare provider and treatment team about any medical decisions and concerns they may have.

†By Your Side Ambassadors are provided by Janssen Biotech, Inc. and Pharmacyclics LLC, an AbbVie Company, and do not provide medical advice or work under the direction of the prescribing healthcare professional (HCP). They are trained to direct patients to speak with their HCP about any treatment-related questions, including further referrals.
